SCHEDULE 2025 BUDGET WORKSHOP

Discussion: Councilperson Mannella questioned how much the tax rate would be if the tentative budget became the final budget. With the Fire District collecting their own taxes & the full valuation assessment that just occurred, it would be helpful to have this information before scheduling the budget workshop. The Town Clerk offered to contact the County Real Property office to see if they can provide that information to the town. Once that information is received, the workshop meeting can be scheduled.
